My dear M^r. Chapman,

Your favor of Oct. 24th is at hand. I am surprised at your surprise. I thought those Denais of Thois. were priced very mildly - and am pretty sure you will not find any decent ones to buy in Europe at 40 cents a piece.

Any how, if you wish to keep the entire lot, I will allow you 10 %.

With M. Bourgey's kind regards,

believe me, my dear M^r. Chapman,

always yours

Maximilian
